“+53 Super R” means a **Super Robusto** shape entirely **hand made** in Nicaragua, **Powered by ONEOFF**. This is truly a very limited edition.

Why? It is a product of Monoculture: exclusively grown on our own farm in Esteli, aging and improving for five years. I used the Vintage 1999 *capa*, *capote* and *tripa*. This farm is a pure organic experiment, the first we know of to use only traditional techniques free of any modern chemical pesticides or herbicides. These traditions I learned from observing Don Alejandro Robaina, the most famous *Veguero* of Pinar del Rio, Cuba.

Due to the limited production of this micro farm there is only enough tobacco to produce a single shape. I chose the Super Robusto, 6 inches (150 mm) by 52/64 ring gauge (20 mm), twisted closed at the foot, in the tradition of the farm cigar.

I have never smoked a cigar like this before - I hope you'll enjoy them as much as I do!

Remember to Relax.
