“**Allegria!**™” loosely translated, means “Cheer to you!”. It is a new brand **Powered by ONEOFF**. The expression “Allegria!” is a tribute to the celebrated greeting of the legendary *Godfather* of Italian TV, anchorman **Mike Bongiorno**. Mike is not only my dear friend, but also honorary president of CIGAIR, my Club in Milano.

“**Allegria!**™” was designed to satisfy the increasing demand of my friends and business associates for corporate gifts and awards to their clients and staff.

“**Allegria!**™” is made of five carefully chosen shapes perennially popular for their superior smoking qualities.

As always, when **Powered by ONEOFF**, they are entirely **hand made** in Nicaragua using aged tobacco from select farms Jalapa and Esteli.

Enjoy them in Peace, Love and Contentment.

Relax!
